

## CANNED FOOD SCAVENGER HUNT FOOD LIST

Thank you for participating in our canned food scavenger hunt. We will arrive at your home on the afternoon of Sunday, November 21. We will gladly take any non-perishable food items you offer us. Our list of foods and their point values are listed below. Please note there are some items with higher point values than others. These are items the food pantry has indicated are a high need. You can refer us to your neighbors and friends as well! Thank you for taking the time to participate. Not only are you giving to others who are in need, you are also giving our young people the opportunity to have fun while serving others.

**You must sign up to participate!**
