### Session I 6:00 PM

- **Basketweaving** Create a basket designed to hold a large jar candle using a combination of different sizes and colors of reed plus seagrass.
- **Raising Someone Else's Child(ren)** Raising your grandchild? Niece? Nephew? In a blended family? This class, facilitated by our Parish Nurse, a local counselor and a child (now healthy adult!) raised by someone else, will assist you on your journey.
- **Bible Study** "The Green Bible Trail" What does the Bible say about being "green?" In five days, we will explore six green themes that appear throughout the Bible.

### Session II 7:00 PM

- **Crafts** Create! Participants will make various art projects.
- **Money Matters** Financial management for the soul. We will use highlights from the Dave Ramsey course including saving, managing debt and investing. Led by Tish Wold, CFP and Kim Adams, CPA.
- **Safeguarding God's Children** Provides a basic understanding of the dynamics of child abuse, how to recognize the signs of possible abuse, and what to do if you have concerns about a person's behavior toward a child or youth. For parents, guardians, grandparents and all other adults concerned about children and youth.
